

Subscriptions

term subscriptions collection will be on the 2nd and 3rd week back. Please try to bring subs on these nights to help minimise our admin!

Reminders and Requests

- **Subs** for the term must be paid promptly unless agreed otherwise. This subscriptions and parent agreement form **MUST** be completed each term. This ensures we have up to date information for section leaders, confirms you agree to check the programme and keep Section leaders updated with changes to medical or personal information and absence. If paying termly or for additional activities causes any difficulty – please speak to me? Concern over managing payment should not prevent attendance - **but we need you to let us know**. Chasing subs payment takes up valuable time that can be spent on supporting the group!
- **Absence is not a problem** however PLEASE inform your SECTION LEADER or one of the ASSISTANT LEADERS. Their contact details are on the programmes to be found online or emailed to you. If it is on the same day as the meeting please text. If in advance an email is fine.
- **The termly programme** for each section is posted online via OSM and is emailed to you when it becomes available. PLEASE READ IT and encourage your young person to check it every week too. If you need a paper copy please ask. Most activities that take place during section meetings, including those offsite from Calderbridge, will not need a separate permission form. Only certain activities plus all overnight activities will require a separate form to attend and we will ask when this is required. And will be available in the download area of our website.
- **Joining fee** - a joining fee of £5 needs to be paid along with the 1st or 2nd subs payment. This covers the cost of their Scarf, woggle and first badges.
- **Uniform** - once invested we do expect young people to arrive with their (named) scarf and uniform every week unless told otherwise. For Cubs and Beavers, this includes their sweatshirt and navy trousers or shorts if appropriate. Although we will always understand if a problem occurs - we would rather they attend without uniform than not attend at all!
Please see our website for details of our Scout shop order form in downloads.
- **Footwear** must be appropriate to the activity on the programme – school shoes are not ideal at section meetings, when young people are playing games and running around, sometimes outside. School shoes are needed only for formal occasions.
- **Coats or waterproofs** are often needed - we like to be outside as much as possible – please ensure your young person as one with them every week! We have second hand if you want to take a look, ask!
- **Queries, problems or feedback** should always be raised initially with SECTION LEADERS. If you need further assistance please do contact one of us below!
- **Car park** – we are lucky to have so much space! We are working towards improvements too. Meantime please park sensibly and at all times please keep your speed to a minimum on entering and exiting the grounds. Please **DO NOT** drop your young person in the car park and expect them to walk across it. All Cubs and Beavers **MUST** be accompanied and collected to and from the hall across the car park.

Subscriptions

Subscriptions are £35 per term for all unless agreed otherwise. For those new to the group £17.50 each half term for the first term if you prefer. Please then ensure you bring second terms fees on the first week after half term. Please print clearly and bring this form along with a cheque. Please avoid cash if at all possible. Or you can now pay online! If payment is made online please do so and then hand in this form to advise us.

Do not hand payment directly to a leader unless you miss the collection weeks and then please only do so inside a sealed envelope with this form.
